

ALLYN SAMACHAR

Official Allyn Girls Newsletter

January 01- January 15 2024

Vol.01, Issue 03

Allan Soares and Lynda Dyer, co-founders of the role extended to overseeing and ensuring the Allyn Fund, have initiated a scholarship program for economically disadvantaged female students in their second to fourth academic years. The goal is to empower these individuals by providing workforce-ready skills alongside their graduate studies, fostering their success in meaningful careers.

The ALLYN FUND UPSKILLING SCHOLARSHIPS committee at XIE was formed in August 2023. Female students in FE, TE, and BE were encouraged to apply for opportunities in Graphics, Documentation, Event Management, and Publicity, reflecting the commitment to fostering excellence and empowerment.

As we usher in the new year, our commitment to empowerment and positive change remains unwavering. In this newsletter, we highlight the noteworthy activities of the Allyn girls during the initial half of January, offering a glimpse into our collective journey towards a brighter future:

Bhanavi Pandey (SE CSE) has been an integral participant in Ethical Hacking and Capture The Flag (CTF) hackathon workshops within our college. Her

department in defense.

"Vision is an intelligent form of thought."

by Andres Gursky
