

ALLYN SAMACHAR

Official Allyn Girls Newsletter

March 16 – March 31, 2024

Vol. 1, Issue 08

Greetings and a warm welcome to our latest newsletter, where we spotlight the incredible achievements of our esteemed female students. The second half of March 2024 has been an embodiment of dedication, learning, and the sportsmanship that resonates across our campus.

In the corridors of our institute, the enthusiasm and commitment of our women students have been nothing short of awe-inspiring. As we reflect on the past months, it's evident that our committee continues to shine brightly, embodying the spirit of empowerment and excellence in all endeavors.

Academic Triumphs:

We take immense pride in highlighting the academic achievements of our members, who have consistently demonstrated dedication, resilience, and intellectual curiosity. From excelling in rigorous coursework to conducting groundbreaking research, our committee members have left an indelible mark on the academic landscape of our institution.

Aishwarya Shenvi (BE EXTC) was honored with the prestigious **Best Allyn Girl Award** in recognition of her outstanding leadership and exceptional coordination skills.

In addition to her exemplary leadership qualities, **Aishwarya** has also achieved academic excellence, securing the **First rank** among her peers in the BE EXTC program. This remarkable accomplishment is a testament to her dedication, hard work, and passion for learning, marking a significant milestone in her academic journey.

Prarambhi Kharose (SE CSE) has achieved a remarkable milestone by securing the **First Rank**. This outstanding accomplishment is a testament to her dedication, hard work, and academic excellence.

Cecilia Dinesh (SE COMPS) has achieved a remarkable milestone by securing the **Second Rank**. This outstanding accomplishment is a testament to her dedication, hard work, and academic excellence.

Leka Pulavarthy (TE IT) and **Riya Kamble (TE IT)** demonstrated their mastery of Internet Programming, sharing the **First Position** in the **Annual Brainstorming Competition**. Riya also showcased her prowess by clinching the **First Position** in the Annual Quiz Competition i.e **Kahoot quiz** focused on Data Mining and Business Intelligence.

Extracurricular Excellence:

Bhanavi Pandey (SE CSE) has showcased her exceptional talent and sportsmanship by securing the **Second Position** in the fiercely contested Intra-College Badminton Competition. Her achievement is a testament to her dedication, skill, and perseverance on the court. Bhanavi's outstanding performance not only demonstrates her prowess in badminton but also serves as an inspiration to her peers. Bhanavi actively took part in an inter-college Kho Kho competition and emerged victorious in intra-college Kabaddi, Dodgeball, and Box Cricket, showcasing remarkable sportsmanship and skill across multiple disciplines.

In a thrilling display of athleticism and teamwork, **Riya Kamble, Lekha Pulavarthy, Shruti Parade, Anshu Sakhare, Divyajyothi Raja, and Rakshita Sarap**, all hailing from TEIT, showcased their prowess in the Women's Box Cricket and Women's Dodge ball Competition securing the prestigious position of runner-ups and Second runner-ups respectively.

Events under Allyn Girls Committee:

The Allyn Committee has initiated the Cyber Security Workshop to empower our esteemed female students in the domain of Cyber Security. On March 30, 2024, the first day of the workshop commenced at 11:00 am and concluded at 4:30 pm. The session with inauguration of the workshop by Mr. Allan and Fr. John Rose, marking the beginning of an impactful initiative aimed at fostering expertise in Cyber Security among our female students.

Mr. Sandeep Shetty and Mr. Amandeep Singh Banga from Edskills were invited to teach our students the core of Cyber Security. The session was divided into two slots. During the session, a half-hour break was graciously provided to the students, offering them a moment to rejuvenate and refuel. Additionally, Fr. John Rose kindly ensured that the refreshments were available, further enhancing the participant's experience and ensuring their comfort throughout the workshop.

In the first slot, students were guided through an insightful discussion on the essence of Cyber Security, alongside exploring the similarities and dissimilarities between Cyber

Transitioning into the second slot, the speakers delved into a comprehensive exploration of Cyber Security, covering a spectrum of topics. From identifying threats and threat actors to understanding various types of attacks and the imperative need for robust security measures, students were immersed in a wealth of knowledge essential for navigating the complexities of Cyber Security. To encourage self-directed learning students were tasked with a stimulating case study focusing on log4j and various Regulatory Compliances.

This immersive learning experience not only broadened student's horizons but also equipped them with invaluable insights and skills crucial for excelling in the ever-evolving landscape of Cyber Security.

"Never believe anyone who tells you that you don't deserve what you want."
