Greetings and a warm welcome to our latest newsletter, where we spotlight the incredible achievements of our esteemed female students. The second half of December 2023 has been an embodiment of dedication, learning, and the festive spirit that resonates across our campus.

In the corridors of our institute, the enthusiasm and commitment of our women students have been nothing short of awe-inspiring. Amidst their academic pursuits and engagements, they have seamlessly embraced the joyous holiday season.

These exceptional women have exemplified a balance between their academic endeavors and the celebratory ambiance. While delving deep into their studies and various activities, they've also graciously soaked in the festive cheer, sharing precious moments with loved ones join us on this journey as we applaud and honor these remarkable women for their outstanding accomplishments, amidst the backdrop of joyful festivities that adorn XIE:

Alicia Desouza (TE COMPS) embraced the holiday season by crafting delightful Christmas sweets, sharing cherished moments with her family, and joyously attending weddings.

Aishwarya Shenvi (BE EXTC), striving tirelessly amidst her preparations for the End Semester Exam of Semester 7, Aishwarya actively engaged in an insightful session on her final year major project, guided by her project mentor. **Bhanavi Pandey (SE CSE)** demonstrated exceptional leadership by organizing meets for juniors and contributing significantly to the preparation of Sparx, and relishing cherished moments with close friends. She's currently engrossed in a 7-day workshop on Ethical Hacking.

Cecilia Dinesh (SE COMPS) actively participated in CL meets, gracefully served as an Assistant Cultural Secretary, contributed to the preparation of Spandan,
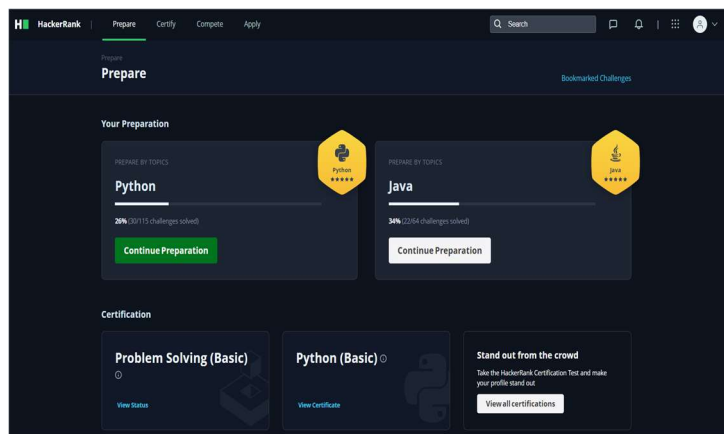

and enhanced the festive atmosphere with her artistic creations for Christmas and the IET Annual General Meeting. She's currently dedicatedly involved in a Cyber Security Workshop. **Divyajothi Raja (TE IT)** is expanding her horizons through Java and Data Structures courses while venturing into Web Development via the IBM SkillsBuild program, deeply engaging in a web-based project to elevate her skills.

Erica D'Cruz (TE COMPS) is dedicatedly focusing on mastering web development during the holidays, diligently crafting a conference website for the college. Additionally, broadening her expertise through enrollment in a cybersecurity program. **Kanchan Kumari (FE IT)** balanced her commitments to family functions with an unwavering dedication to expanding her knowledge through captivating literary adventures.

Lekha Pulavarthy (TE IT) immersed herself in the captivating world of AI/ML courses while relishing delightful moments with cherished friends. **Neha Yadav (TE IT),** returning from a delightful family trip, she is currently enrolled in a Java course, eager to broaden her skill set and expand her academic horizons.

Nirjal Chaudhari (SE CES) actively engaged in enriching online sessions on Designing with Canva and continuously exploring additional courses to amplify her knowledge base. **Novi Andrades (TE COMPS)** participated in vibrant Christmas celebrations, exploring cultural displays like cribs. Currently, she dedicates time to expand her professional skills and knowledge through additional courses.

Prarambhi Kharose (SE CSE) celebrated her success in completing the cybersecurity course with remarkable scores, celebrating with cousins during the festive Christmas and New Year period.

Priyanka Reddy (SE CSE) is diligently preparing for the Central Convention Quality Circle state-level presentation while excelling in her professional commitments, honing her drafting skills. **Rakshita Sarap (TE IT)** displayed exemplary multitasking skills as the Joint Cultural Secretary, extensively contributing to the preparation of the cultural fest, Spandan. Amidst her responsibilities, she rejuvenated herself by taking a well-deserved day off, enjoying a trip with her college friends.

Riya Kamble (TE IT) showcased her prowess by polishing her Python and Java skills on HackerRank, earning a valuable certification in Python, and immersing herself in an Ethical Hacking workshop.

XIE's VISION:
To nurture the Joy of Excellence in a world of High Technology.

XIE's MISSION:
To strive to match global standards in technical education by interaction with industry, continuous staff training and development of quality of life.

Serina Selvan (SE CSE) triumphantly completed her 3rd-semester exams, she's currently engrossed in a 7-day workshop on ethical hacking and cybersecurity, organized by the technical committee.

Shreya Jadhav (TE IT) is actively contributing to enriching sessions on Ethical Hacking and IoT Workshop, serving as a vital member in organizing our college fest, Spandan, and Transmission. **Shruti Parade (TE IT)** Embarking on an insightful AIML internship, focusing on enhancing her proficiency in Python programming language through dedicated attention to weekly assignments.

Vishnu Priya Sahu (SE CES) recently read a book "The Queen of Nothing" by Holly Black in her after semester vacation. Also Attended parties and family functions. Currently attending a workshop on ethical hacking under the guidance of Sean Pereira.

We take immense pride in celebrating the dedication, enthusiasm, and immense contributions of these talented women within and beyond our university. Their inspiring pursuits continue to pave the way for excellence.

Stay tuned for more updates on the thriving achievements within our Allyn Committee!

"Each time a woman stands up for herself, without knowing it possibly, without claiming it, she stands up for all women."
