**Computer Centre
1st Floor**

No. of Participants: 60

**UNDER ALLYN FUNDS UPSKILLING SCHOLARSHIP
FOR GIRLS IN COLLABORATION WITH IET**

The Event was organized by Allyn girls committee, Cyber Security Cell & The Institute of Engineering and Technology. The speakers for both the events were Ojas dedhiya Associate Technology Audit and Risk from Morgan Stanley and Arun Sharma Deputy Manager-Internal Audit from Sterlingcheck Corp. The first event of Tech Talks commenced at 3.30PM on 20th October 2023, Friday. It started with a Guest lecture of 1.5 hours which was conducted online. Students had a hand on experience to know the process of CTS and demonstration of some CTF Challenges was given which helped students to win the next day Hackathon. All the doubts were cleared one on one which was of great help to students. This tech talk was successfully completed by 5.00 PM.

Next day, on 21st October 2023, Saturday, Hackathon on CTF (CATCH THE FLAG) commenced from 9.00 AM onwards. It was an adrenaline-packed day of innovation, problem solving and teamwork. Students have made groups of 3-4 individuals. One of the motives of the course was to build various interpersonal skills such as achieving Team Work along with building various technical aspects. Lunch was provided, food coupons were made & distributed at the time of event by allyn girls. There was also a cash prize of 18,000 rupees. Registration for the hackathon was free for all and also the participants certificate has given to all the students who had participated.

An astonishing poster was made for the event by the allyn graphics team Also the certificate was designed by Allyn documentation team. Allyn girls had participated as well as volunteered the event.
