---

The evening of Saturday, 24th February 2024, was an enchanting affair as XIE (Xavier Institute of Engineering) welcomed back its alumni for a memorable reunion. The event was more than just a gathering; it was a celebration of cherished memories, rekindled friendships, and a shared nostalgia for the alma mater that had played a significant role in shaping the lives of those present.

Former students from various batches graced the occasion, eager to reconnect with their old stomping grounds and the people who had once been an integral part of their academic journey. The ambiance was filled with laughter, reminiscences, and a palpable sense of camaraderie as alumni from different walks of life came together under one roof.

The event started with warm greetings and introductions, setting the tone for an evening of fellowship and merriment. Director, Fr. Dr. John Rose SJ, and Principal, Dr. Y. D. Venkatesh extended a heartfelt welcome to the alumni, expressing their joy at seeing familiar faces returning to the campus. In their addresses, they emphasized the importance of fostering a strong alumni association, one that would not only serve as a platform for networking but also contribute to the growth and development of the institute.

The highlight of the evening was the presence of Mr. Jagdish Rohit, a distinguished alumnus from the 2009 batch, who graced the occasion as the Chief Guest. Mr. Rohit, currently serving as the Regional Sales Director of Watchdata Technologies, epitomized the success stories that XIE had nurtured over the years. In his inspiring speech, he shared anecdotes from his time at the institute and reflected on the invaluable lessons he had learned, both inside and outside the classroom. His journey from being a student to a seasoned professional served as a source of inspiration for the younger alumni, reaffirming the belief in the transformative power of education.

A total of 112 students participated in the alumni meet. Mr. Rohan Bhingardive, from the Computer Department, batch of 2010, received the Best Alumni Award for 2024. He is currently working at Adform India Pvt Ltd with the designation of Principal Software Engineer.

The musical performance provided a perfect backdrop for moments of reflection and gratitude, reminding everyone present of the enduring legacy of XIE and the lifelong connections forged within its walls.

The Alumni Meet of 2024 had not only been a reunion but also a reaffirmation of the bonds that bound the XIE community together—a testament to the enduring spirit of camaraderie and fellowship that transcended time and distance.
