On 14th August 2024, **Mr. Leston Alvares**, Senior Project Manager at SEARCE Canada Inc. and an alumna from the 2014 IT Department, delivered an insightful guest lecture to our IT and Computer Engineering students. His session focused on "Project Management in IT" and "Agile Methodology for Project Management," sharing practical industry applications and trends.

Through his experiences, Mr. Alvares highlighted the importance of adaptability and agility in managing modern IT projects, inspiring students to excel in their careers. His visit exemplified the strong bond between our institution and alumni, leaving a meaningful impact on our future professionals.

On 22nd August 2024, **Ms. Crystal Dsouza**, an alumna from the 2016 Computer Department, delivered a highly informative lecture on Natural Language Processing, focusing on the intricacies of transformer models. Her session provided students with an in-depth understanding of how transformer architectures work in processing and generating human language.

She explained key concepts like self-attention mechanisms, tokenization, and model training, offering practical insights into real-world applications such as machine translation, sentiment analysis, and text generation. Crystal's expertise helped our students grasp the complexities of this advanced technology, significantly enriching their knowledge in the field of AI and NLP.

XIE's VISION:

To nurture the Joy of Excellence in a world of High Technology.

XIE's MISSION:

To strive to match global standards in technical education by interaction with industry continuous staff training and development of quality of life.

**Ms. Aritra Sen**, an alumna of the 2010 IT department, has made impressive strides in the field of cinematography and direction. Recently, she shot and directed a short film that has been distributed by Humaramovies, a well-known platform for indie films. The film has garnered 26k views on YouTube, marking a significant achievement and showcasing her creative talent in storytelling and visual composition.

Aritra's transition from IT to filmmaking is a testament to her versatility and passion for the arts. Her work reflects a blend of technical expertise and artistic vision, inspiring students to explore diverse career paths. We are proud to see our alumni excelling in such creative endeavors, and we look forward to more exciting projects from her in the future.

XIE's VISION:

To nurture the Joy of Excellence in a world of High Technology.

XIE's MISSION:

To strive to match global standards in technical education by interaction with industry continuous staff training and development of quality of life.

**Mr. Rhys Vaz**, from the 2012 IT department, has achieved a significant milestone by being appointed as the Unarmed Combat Instructor for the Mumbai Police. This prestigious position underscores his expertise in self-defense and public safety. In addition to this role, Mr. Vaz continues to excel as a Sales Account Manager, balancing both responsibilities effectively. His dedication to enhancing community safety and pursuing corporate excellence serves as an inspiration to students and alumni alike.
