2. Prof. Teena Varma

## Student Coordinator(s)

1. Amisha Narvekar
2. Rickin Sibi Joseph

## Date, Time & Venue

Date: 10<sup>th</sup> February, 2023

Time: 1:30 pm

Venue: Computer Center (XIE)

## Department

FE, SE, TE, BE

COMPS, IT, EXTC, CSE

Registered Participants: 66

Participants Attended: 70

With the motive of encouraging students to get the knowledge of Cyber Security and letting them get hands on experience on Ethical Hacking, the workshop on "ETHICAL HACKING AND CYBER SECURITY" was conducted for all students of Xavier Institute of Engineering (XIE) on 10<sup>th</sup> February, 2023.

The workshop was created and hosted by Amisha Narvekar & Rickin Sibi under the banner of Computer Society of Xavierites with the guidance of Prof. Jyotsna More and Prof. Teena Varma.

The event began at 1:30pm sharp at the Computer Centre with the introduction and welcoming of the speaker Mr. Sean Pereira. The resource person Mr. Sean Pereira reflected his profound knowledge on Cyber Security and highlighted how important Cyber Security is in a world where internet is more vulnerable to threats and risks, than one can imagine.

A detailed explanation was given on the terms and concepts related to Cyber Security and awareness was spread on how dangerous Cyber threat harms can be. The speaker then went on to show live demonstration on how hacking can be carried out. The students were able to perform simultaneously along with the speaker. The demonstration began with the Introduction of basic Linux commands. By means of Kioptrix Level 1, the students were able to hack into the Kali Linux Operating System.

It was an interactive session where the speaker personally solved the doubts and issues of the participants. The event ended at 4:30pm and a feedback form was circulated for attendance and their valuable feedback.

## Student Feedback and Benefits:

The overall response of the event was positive. Students were able to realize how important Cyber Security is and through live hacking they came to know how easily their devices can be hacked and used for illegal activities. The event was successful and everyone enjoyed the event and parted with useful knowledge.
