The event, titled **CodeConnect**, was organized by the CSX Committee of XIE and was scheduled on March 22, 2024, starting at 2:30 PM.

The venue for the event was MAC Lab, situated on the 3rd Floor. The session kicked off with a brief introduction of the speakers, **Mr. Rohit Prasad** and **Mr. Moses Fernandez**, setting the stage for an informative dive into Git.

The workshop was coordinated by **Mr Siddharth Shinde, TE-IT and Mr. Prashik Dongre , SE-IT** under the guidance of CSX faculty **Prof Jyotsna More, Prof Teena Varma and Prof. Nilambari Narkar.**

Rohit Prasad and Moses Fernandes explained Git in easy-to-understand terms, showing how it works, different commands, and how it's used in everyday life. The speakers made sure everyone could follow along by asking questions and making the topic simple. Then, they talked about how knowing Git can help get better job opportunities, giving useful advice.

As the session wrapped up, **Siddharth** extended his gratitude to all attendees, stressing the importance of continuous learning and professional growth in both academic and career paths.

The event concluded with an interactive Q&A session, where participants had the chance to clarify their doubts and engage directly with the speakers. **Mr. Rohit Prasad** and **Mr. Moses Fernandes** patiently answered each question, providing deeper insights and practical tips on mastering Git.

Student Feedback and Benefits:

Feedback from the participants was overwhelmingly positive, with many appreciating the clear and approachable teaching style of the speakers. The event not only enhanced their technical knowledge but also inspired them to explore further learning opportunities in the field of software development.
