Speaker

Mr. Nesan Selvan

Time & Venue:

03:30 PM to 05:30 PM

COMPUTER CENTER

No of Participants: 93

The Computer Society of Xavierites (CSX) organized a workshop on "Flutter" to acquaint students with the techniques and tools required for app development using flutter.

The event was coordinated by **Ms. Shruti Parade** and **Ms. Riya Kamble** under the guidance of **Prof. Nilambari Narkar**.

The speaker for the workshop was **Mr. Nesan Selvan,** from BE-COMPS. He has developed website for a startup using flutter and also mastered app development in flutter by creating several projects academic as well as unacademic. The event started at 3:30 pm which lasted till 5:30 pm. The event started with the introduction of the Speaker by **Ms. Shruti Parade.**

The event was divided into two slots where in first slot the speaker explained the basic concepts of flutter via presenting a ppt and the second slot was all about practical implementation. The speaker gave a detailed explanation of various Flutter us components of flutter like widgets, properties and explicitly importing fonts in the project. A simple login form was output of the implementation part of the session.

It was an interactive session where the speaker cleared the doubts and had a one to one interaction with all participants. The Seminar was concluded by a vote of thanks by **Ms. Riya Kamble**.

Student Feedback and Benefits:
The overall response to the workshop was positive. The workshop helped participants gain knowledge of the Flutter tool. The participants were able to understand about widgets and properties making them able to create a simple project. The event was successful and helped to provide knowledge to all participants.
