With the motive of encouraging students to improve and coding skills, evaluating core basics of programming languages the event "CODE HUNTER" was conducted for all year's students of XIE on 1st April 2021.

The Event was created and organized by Riya Sawant, Monika Anabathula and Divya Kulkarni under the banner of the Computer Society of Xavierites with the guidance of Prof. Jyotsna More and Prof. Teena Varma.

The event was conducted in two different sections for FE and SE, TE, BE respectively. It was a time-bound activity. Students were asked to solve coding questions without any compiler or IDE. This activity was blended with some fun that the output of the coding questions were names of different things/objects easily available at home. Student who is able to solve most of the questions and was able to find and present most of the objects was declared as winner within time bound.

Top three winners from FE and SE, TE, BE was awarded with cash prize and achievement certificates. All participated students were given participation certificates.

Winners from FE:

Rank	Name	Department	Cash prize
1	Vansh Agarwal	Computer	500/-
2	Sudesh Manjrekar	Electronics	250/-
3	Anisha Prabhu	IT	Achievement Certificate

Winners from SE, TE, BE:

Rank	Name	Departme	Year	Cash Prize
1	Aanshi Singh	Computer	SE	500/-
2	Ajit Jena	IT	SE	250/-
3	Hemant Gosavi	Computer	BE	Achievement Certificate

Student Feedback and Benefits

The overall response of event was positive. Students were able to realize their strengths and weakness in core basics of programming languages. Finally, event was successful and enjoyed the event with a blend of decoding and fun of adventurous ride of codes.
