

# Fastest Finger First

DATE: 21/4/2021

The **Computer Society of Xavierites** conducted an event named “Fastest Finger First”. The motive of conducting this event was to improve the coding skills and check the accuracy of participants while cracking various coding problems in the given period of time.

The Event was created and organized by Tejol Lahane (from TE COMP), Utkarsha Gharat (from SE IT) and Yash Chitroda (from SE IT) under the banner of the Computer Society of Xavierites with the guidance of Prof. Jyotsna More and Prof. Teena Varma.

The event consisted of two languages namely Python (for SE, TE, BE) and HTML (for FE). The event consisted of two rounds (MCQ based). Limited time was allotted to each question based on the difficulty level of questions in both the rounds. Participants were instructed to answer the questions through chat box and to keep their cameras on throughout the event.

The First Round mainly concentrated on the basics of the mentioned coding languages. The eligibility criteria for qualifying the 2<sup>nd</sup> Round was to answer minimum 7 out of 15 questions correctly. The Second Round was comparatively tougher than the First and consisted of debugging the codes given.

Total 25 students registered for the event but only 21 participated. The event took place on 21<sup>st</sup> March 2021.

### Top three winners from FE are:

Rank	Name	Department	Rewarded by
1	Tanvi Bhabal	IT	Cash Prize:Rs.200
2	Vishal Mamluskar	COMP	Achievement Certificate
3	Anisha Prabhu	IT	Achievement Certificate

### Top three winners from SE, TE BE group are:

Rank	Name	Class	Department	Rewarded by
1	Jarvis Trinitade	TE	IT	Cash Prize:Rs.300
2	Joshua Sequeira	TE	COMP	Achievement Certificate
3	Ajit Jena	SE	IT	Achievement Certificate

### Student Feedback and Benefits

Students got to know about their strength and weakness in coding languages and how to maintain a proper speed while cracking various coding problems.
