Venue	1 st floor , computer centre, Xavier Institute of Engineering, S.L. Raheja Hospital Road, Mahim
Resource Persons	<ul style="list-style-type: none"> • Jay Barot(TE-IT) • Shivang Mehedekar(TE-COMPS) • Soham Khot(TE-COMPS)
Co-ordinators	<ul style="list-style-type: none"> • Shrishti Karkera (SE-IT)
Objectives	The prime objective of organizing the event is to teach the students the fundamentals of web development. So the students can learn how to build a website on their own from scratch so it will be helpful for them in their further projects

<p>Details of the Activity</p>	<p>The Second CSX workshop on Web development was organised and conducted by the CSX committee. This Workshop was conducted for 3 days from Saturday to Monday. The students from the SEs showed a huge interest in this workshop. All the students gathered in the computer centre by 12:00pm on first day of workshop. The total count for the event was 41. On the first day Brief idea was given to the students about the fundamentals of Web Development. HTML and CSS was taught to the students and various doubts were solved. Also an idea about Bootstrap was given to the students. On the second day the students started to develop a fully working website and they code was given to each and every student. Various components were added to the website. On the third day PHP and SQL was taught to the students and were also taught to host the website and all the remaining doubts we're solved by Resource person. All errors during the 3 days were solved.</p>
<p>Outcome</p>	<p>Web development is the fundamental process for starting with any of the projects. Also it is beneficial for the students as now they will be able to make their own websites and host it successfully.</p>
