Workshop on Cisco Package Tracer

13th Jan 2023

XIE, Mahim

The Telecommunication Society Of Xavierites (TSX) has organized a Workshop for the Students of T.E EXTC on "Cisco Package Tracer". It was held on the 13th of January 2023. The Workshop was conducted by Mr. Adwait Joshi, a B.E. EXTC, XIE student.

The workshop started at 1:30 pm on the 13th of January 2023, the Event commenced with a hearty prayer by Aishwarya Shenvi (TE EXTC) and hosted by Akash Chintakindi and Rana Gaikward (TE EXTC). Prof. Leena Patil (staff secretary TSX) inaugurated this event with motivating and encouraging words. After that, the workshop was carried out by Mr. Adwait Joshi. There were total of 38 students of TE EXTC who attended this Workshop.

Mr. Adwait Joshi started the workshop with Introduction to Computer Communication Networks (CCN) and its basics, the Importance of Cisco Package Tracer Software for CCN, and its importance in Industrial and corporate life. He took the event smoothly with the basics of how to use Cisco Package Tracer Software to make all attendees familiar with the software. Then he started with Designing, every attendee was participating actively and equally as everyone was designing along with Mr. Adwait on their own. During this part of the session, many students made errors which were corrected by Mr. Adwait and other volunteers of the Committee, as participants were getting real-world experience in designing Networks. This workshop helped the participants to practice and work on software to Design Communication with Networks.

In this event, everyone actively participated, from Heads to Volunteers and participants to make this event successful. In the end, Santanu Ramtake (SE EXTC) winds up the workshop by giving a Vote of Thanks to all the faculty members, speaker Mr. Adwait Joshi and all Committee members of TSX who gave their best to make this workshop Successful!
