

RESEARCH METHODOLOGY IN DATA ENGINEERING

10th October 2023
XIE, Mahim

The Telecommunication Society of Xavierites (TSX) organised their fifth event of the academic year 2023-24. The session was arranged for Third Year and Fourth Year students of Electronics and Telecommunication Engineering (EXTC) Department on "Research Methodology in Data Engineering". The session was held on 9TH October 2023 in LH1. The session was conducted by Mr. Rohan Vichare, a Assistant Manager (Data Engineer) at Godrej Consumer Product LTD. and our Alumini. Approximately 60 students of TE and BE EXTC, XIE had attended this session.

The event started at 9:00 am, under the guidance of Prof. Madhura Shirodkar and Prof. Leena Patil. The Assistant Secretary Ms. Mahek Shaikh(TE EXTC) then Introduced the speaker. Then the event was carried out by Mr. Rohan Vichare.

Mr. Rohan Vichare first introduced himself and told about the companies he has worked for, as well as the several projects he has managed. He mentioned that he graduated in the year 2020 and has accumulated 3.6 years of experience in the field of data engineering. He started the concept data engineering from the basics so that all the attendees get familiar with the concept. Later, he provided an overview of his work, explaining the nature of his responsibilities and the various courses and programming languages one should consider studying to attain a similar position. The session was highly interactive, and the speaker ensured that the students remained engaged and interested throughout.

In this event everyone actively participated, In the end, Student convener Mr. Jyotirmay Patil delivered the Vote of thanks. Prof. Leena Patil and Prof. Madhura Shirodkar presented a letter of appreciation to Mr. Rohan Vichare. The session was concluded at 10:30 am.
