

Report of IET Excellence and InnoVision

XIE- IET On Campus, organized an session of IET Excellence and InnoVision aimed at fostering creativity and pioneering spirit within you on 29th July 2023.

Objective:

The objective of the IET membership event is to empower engineers and technicians by offering professional development opportunities, fostering collaborative networks, and providing access to cutting-edge research and industry discounts. It aims to equip participants with the essential tools and knowledge needed to excel in their careers and contribute effectively to the global engineering community.

Beneficiaries: Students of XIE

Number of Participants: 104

Venue: Seminar Hall, XIE

Date / Duration: 29th July 2023

Trainer Details:

Name	Designation with Details	Address
Mr. Amitabh Sinha	National Business Development Manager	Mumbai

Key Points:

The event was made successful by the team efforts of The Xavier Institute of Engineering Director Fr. John Rose S. J., Principal Dr. Y. D. Venkatesh, Dr. Vaishali Gaikwad and the volunteers team.

We had participants from second, third year of Computer Engineering , Computer Science and Engineering, Electronics and Telecommunication Engineering, Information Technology from Xavier Institute of Engineering.

Event Details:

The Institution of Engineering and Technology (IET) is a leading professional organization catering to engineers and technicians worldwide. It offers extensive support at every career stage and fosters a vibrant community dedicated to engineering excellence. Membership with the IET provides access to a wealth of resources and benefits tailored to enhance professional growth:

- Opportunities for internationally recognized professional registration and development.
- Networking opportunities with a global community of engineers and technology specialists.

- Access to cutting-edge research and insights to stay informed.
- Exclusive discounts on events, courses, and publications.

Joining the IET not only enhances professional development but also connects individuals to a dynamic network committed to advancing the field of engineering.

Membership with the IET not only enhances professional development but also provides invaluable connections within a dynamic network committed to advancing the field of engineering. By joining, participants gain access to a supportive community that fosters collaboration and innovation. Whether through networking events, access to cutting-edge research, or exclusive discounts on industry-relevant activities, IET membership equips engineers and technicians with the tools and knowledge needed to excel in their careers and contribute meaningfully to the global engineering community.
