We are delighted to share the highlights of our Start-up/E-Cell's third event, the seminar "**Entrepreneurship – Mindset and Roadmap,**" which took place on **9th January 2025** in collaboration with **YWCA NGO**. This exciting session saw an enthusiastic participation of aspiring entrepreneurs, eager to learn about fostering an entrepreneurial mindset and turning ideas into impactful ventures.

The seminar commenced at **3:30 PM** in the **Seminar Hall** with an opening address by the event organizers, setting the stage for an inspiring and insightful session. The keynote speaker, **Mr. Royal D'Souza**, Founder & President of **Yuva Vikas Sanstha, Palghar**, and India's representative at the **2015 Youth Expo in Italy**, captivated the audience with his experiences and expertise.

During the session, Mr. Royal D'Souza shared valuable insights on the importance of an entrepreneurial mindset, strategies for achieving success in the start-up ecosystem, and how innovative ideas can be transformed into sustainable businesses. He provided real-world examples of entrepreneurial challenges, the significance of networking, and the role of perseverance in the journey toward success.

The session was highly interactive, with students engaging in thought-provoking discussions and a Q&A segment, where Mr. D'Souza addressed their queries and provided practical guidance on entrepreneurial growth. Attendees left the session with a renewed perspective on entrepreneurship and a deeper understanding of the roadmap to success in the business world. We extend our sincere gratitude to **Mr. Royal D'Souza, Prof. Shailaja Udtewar (E-Cell Startup Convenor), Prof. Teena Varma (E-Cell Startup Co-ordinator)**, and all the enthusiastic participants for making this event a tremendous success.

Stay connected for more exciting events and initiatives from **Start-up/E- Cell!**
