# Workshop on PCB Designing

24 Sept 2022
XIE, Mahim

The Telecommunication Society Of Xavierites (TSX) has organized a Workshop for the S.E & T.E Students of Diploma and Engineering on "PCB Designing". It was held on 24th of Sept 2022.The Workshop was conducted by Mr. Neerav Desai, student of T.E. EXTC, XIE and Secretary of TSX. Total 37 students of XIE attended this workshop.

The workshop started at 1:30 pm on 24th of Sept 2022, the Event commenced with a hearty prayer by Aishwarya Shenvi (TE EXTC) and hosted by Akash Chintakindi and Prajakta Dagade (TE EXTC). Dr.Vidya Sarode (HoD- EXTC) inaugurated this event with their motivating and encouraging words .After that there was introduction of TSX Committee Heads as this was the very first event of the TSX Committee. Then the workshop was carried out by Mr. Neerav Desai.

Mr. Neerav Desai started the workshop with Introduction to PCB and its basics, Importance of PCB ,PCB in Computer and PCB in day-to-today life. He took the event to Designing and Simulation of PCB using KiCad Software.In this session, he started with basics of KiCad Software to make all attendees familiar with the software. Then he started with Designing, every attendee was participating actively and equally as everyone was designing along with Mr.Neerav on their own. During this part of the session, many students got errors which were corrected by Mr. Neerav and other volunteers of the Committee, as participants were getting real world experience of designing PCB.This workshop helped the participants to practice and work on software to Design PCB.

In this event everyone actively participated,from Heads to Volunteers and participants to make this event successful. At the end, Mahek Shaikh (SE EXTC) winds up the workshop by giving a Vote of Thanks to all the faculty members, speaker Mr. Neerav Desai and all Committee members of TSX who gave their best to make this workshop Successful
