

## Refund of Fees:

For those admitted candidates through CAP, such as Open and Minority quota, refund rules will be as per the rules prescribed by the Govt. of Maharashtra for that Academic Year. However, for the Institutional quota of seats, though the organisation normally follows the rules and regulations of DTE and Govt. of Maharashtra, **it could be modified by the Director of the Institute every year.**

**However, for claiming refund of fee, the candidate must have taken and confirmed his/her admission by paying the necessary tuition and other fees and must have submitted all his/her original certificates before he/she applies for cancellation.**
