Report on Gen AI Study Jam - Prize Distribution Ceremony
Date: January 16, 2025
Time: 3:30 PM - 4:30 PM
Venue: Seminar Hall, XIE

The Gen AI Study Jam - Prize Distribution Ceremony was successfully conducted on January 16, 2025, at Seminar Hall, XIE, from 3:30 PM to 4:30 PM. The event aimed to celebrate the achievements of students who actively participated in the Gen AI Study Jam and to recognize their efforts through an award distribution ceremony.
Event Proceedings

The ceremony began with a warm welcome extended to students, faculty members, and distinguished guests. This was followed by an introduction to the event, where the importance of the Gen AI Study Jam and its objectives were highlighted.

A total of 15 badges were earned by participants during the event, showcasing their dedication to learning and developing their skills in AI. The badges achieved include:

1. The Basics of Google Cloud Compute
2. Get Started with Cloud Storage
3. Get Started with API Gateway
4. Get Started with Looker
5. Get Started with Dataplex
6. Get Started with Google Workspace Tools
7. Cloud Functions 3 Ways
8. App Engine 3 Ways
9. Monitoring in Google Cloud
10. Networking Fundamentals on Google Cloud
11. Analyze Images with Cloud Vision API
12. Prompt Design in Vertex AI
13. Develop GenAI Apps with Gemini and Streamlit
14. Get Started with Pub/Sub
15. Arcade Game

The GDG Core Team was introduced, acknowledging their contributions in organizing and managing the event effectively. The campaign was successfully led by GDG On-Campus Organizer Dhrumil Dholakia, under the guidance of Faculty Advisor Suhas Lawand, with significant contributions from the core team members.

Participants achieved the Tier 2 Milestone, marking a significant accomplishment in their learning journey.
Students were then invited to share their reviews and learning experiences, providing insights into how the study jam helped them enhance their understanding of Gen AI technologies. Their feedback reflected the positive impact of the initiative on their technical growth.

The most awaited segment of the event, the prize distribution ceremony, commenced with 56 students being awarded certificates along with exclusive goodies from Google Developer, including branded bottles and T-shirts. This moment was met with excitement and appreciation from the participants.

The event featured inspiring speeches from esteemed dignitaries our principal Mr. V. D. Venkatesh shared his thoughts on the significance of AI and encouraged students to continue their learning journey. Dr. Fr. John Rose our director emphasized the importance of continuous skill development and applauded the efforts of both students and organizers.

The event concluded with a heartfelt vote of thanks, acknowledging the contributions of all individuals who made the event a success. A group photo was taken to commemorate the occasion, capturing the enthusiasm and accomplishments of the participants.
