150

On 17th March 2023, the Internal Quality Assurance Cell (IQAC) of the Xavier Institute of Engineering (XIE) organized a seminar on "**BUILDING A BETTER FUTURE THROUGH FINANCE, ENGINEERING AND SOCIETY!**" The seminar was held in the Seminar Hall and was attended by over 150 participants, including the Director of XIE, Dr. Father John Rose SJ, and the Principal of XIE, Dr. YD Venkatesh. The keynote speaker was Ms. Jeeva Bharathi, an IT professional with industry experience. The event was hosted by Mr. Moses Fernandes and Ms. Sharon Sebastian.

The seminar aimed to discuss the impact of finance, entrepreneurship, and engineering on society and how society, in turn, impacts these fields. The keynote speaker, Ms. Jeeva Bharathi, shared her experience and insights on the topic, highlighting the need for innovation and collaboration in these fields to address the challenges faced by society.

The seminar provided several key takeaways for the participants. Firstly, it highlighted the importance of financial literacy and the need for entrepreneurs to understand the financial aspects of their ventures. Secondly, it emphasized the need for innovation and risk-taking in entrepreneurship and the role of entrepreneurs in addressing societal challenges. Finally, it highlighted the importance of sustainable and ethical engineering practices and the need for collaboration among different fields to address global challenges.

In conclusion, the seminar on "How Finance, Entrepreneurship, and Engineering Impact and are Impacted by Society" organized by the Internal Quality Assurance Cell (IQAC) of the Xavier Institute of Engineering (XIE) was a highly informative and insightful event. The keynote speaker, Ms. Jeeva Bharathi, shared her experience and insights on the topic and provided several key takeaways for the

participants. The event was well-attended and provided an excellent platform for discussion and collaboration among the participants from different fields.

Feedback from students:

1. The participants found the session to be Excellent and very interesting.
2. The students have suggested organizing more such workshops on topics like:
   a. Finance
   b. Programming languages
   c. Trading
   d. Portfolio building.

ACTIVITY REPORT on "Career Pathways with Advanced Degrees"

| Organized By:	Kirti Motwani Computer Engineering Department
Date of the Event:	23/03/2023, 2-3 pm
Venue:	LH -06
Name of the Speaker(s):	Rachael Dsouza
Designation and Organization of the Speaker(s) :	Msc Business Analytics, University of Nottingham
Participants Details:	T.E (Computer)
Number of Participants:	41

OBJECTIVE(S):

1. To give insight to students about available higher education options, including different types of programs, institutions, and fields of study.

2. To help students to clarify their career goals and understand how further education can contribute to their professional development and advancement.

EXPECTED OUTCOME: To enable students to gain a better understanding of the available higher education options, clarify their career goals and aspirations, and understand the necessary steps to achieve their goals through further education.

ACTIVITY REPORT on "Group Discussion"

Organized By:	Tejal Deshpande, Assistant Professor, Electronics and Telecommunication Department
Date of the Event:	02/08/2022
Venue:	LH -09
Participants Details:	SE & TE (EXTC) students
Number of Participants:	70

OBJECTIVE(S):

1. To equip students to analyze complex situations, identify key issues, and propose effective solutions collaboratively.

2. To Prepare students to evaluate participants' ability to articulate their thoughts clearly, listen actively to others, and engage in constructive dialogue.

EXPECTED OUTCOME: Students are able to work collaboratively with others, share responsibilities, and contribute constructively to achieve common goals in group discussions also to learn decision-making techniques, such as consensus-building and prioritization, to reach informed decisions collectively during group discussions.

Techskills Boot Camp Report

Overview: The Techskills Boot Camp, organized by Coffeee.io in collaboration with Xavier Institute of Engineering (XIE), took place in August 2022. This program aimed to equip students with foundational and advanced skills in Machine Learning (ML) and Front-End Development. The boot camp was meticulously designed for beginners, ensuring an inclusive and engaging learning experience.

Machine Learning Track:

- **Duration:** 10 weeks (3 classes/week, 2 hours/class) totaling 60 hours.
- **Prerequisites:** Basic programming knowledge (optional) or an interest in programming.
- **Curriculum Highlights:**
    - **Programming Basics:** Basic Python, Python Data Structures.
    - **Mathematics for ML:** Linear Algebra, Probability & Statistics.
    - **ML Tools & Techniques:** Python Libraries, Data Pre-processing, Regression and Classification using Scikit Learn.
    - **Optimization & Error Reduction:** Techniques to refine model performance.
- **Outcome:** Students were trained to independently develop Machine Learning models by the end of the course.

Front-End Development Track:

- **Duration:** 13 weeks (3 classes/week, 2 hours/class) totaling ~80 hours.
- **Prerequisites:** None.
- **Curriculum Highlights:**
    - **Web Fundamentals:** Understanding client-server architecture, HTTP, and browser tools.
    - **HTML:** Mastery of tags, forms, and handling GET/POST requests.
    - **CSS:** Introduction to styles and layouts for web design.
- **Outcome:** Participants gained a strong foundation in building and styling web pages, preparing them for front-end roles.

Impact: The boot camp successfully fostered technical proficiency among XIE students, laying the groundwork for future opportunities in technology-driven fields.

1. Machine Learning

The course is designed for beginners. Having basic programming knowledge in any of the languages will help. But as long as you have an interest in programming and are eager to learn, you will be able to enjoy and learn thoroughly.

Total Course Duration: 10 weeks * 3 class/week * 2 hours/class = 60 hours

Curriculum

- Basic Python
- Python Data Structures
- Linear Algebra
- Probability & Statistics
- Python Libraries
- Machine Learning Overview
- Data Pre-processing
- Regression
- Regression using Scikit Learn
- Classification
- Classification using Scikit Learn
- Optimization techniques
- Error reduction techniques

By the end of this course, you should be able to develop your own ML models.

2. Front End

The course is designed for beginners. There is no prerequisite for this course.

Total Course Duration: 13 weeks * 3 class/week * 2 hours/class = ~80 hours

Curriculum

- Web Fundamentals
  - Server, client and their communication
  - Browsers and Web Servers
  - HTTP request and response
  - Browser development tools (Inspect Element)
- HTML
  - HTML Tags
  - HTML Forms
  - GET and POST requests
- CSS
  - CSS Selectors

- ○ CSS Properties
- ○ Box Model
- ○ Flexbox
- ○ Responsive Layouts
- ● JavaScript
  - ○ General elements of a programming language
  - ○ Object Orientation in JavaScript
  - ○ JavaScript as a front-end language
- ● React
  - ○ JSX
  - ○ Components
  - ○ Props and States
  - ○ Managing Data Flow

By the end of this course, you should be able to develop the front-end part of a website.

Memorandum of Understanding (MoU)

Between

Xavier Institute of Engineering (XIE)

And

Gong Labs Private Limited (Coffeee.io)

June 17, 2022

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is entered into as of 17-06-2022 (the "Execution Date") by and between, Xavier Institute of Engineering (XIE), (hereinafter referred to as Xavier Institute of Engineering

AND

Gong Labs Private Limited (PAN: AAJCG4095K and CIN: U72900HR2021PTC099211), a private limited company incorporated under the Companies Act, 1956, engaged in providing employment assistance & vocational training to students, having its registered office at D-201, Palm Springs, Sector 54, Gurgaon, Haryana -122002 (hereinafter referred to as "**Coffeee.io**", which expression shall unless repugnant to the context or meaning thereto shall mean and include its successors and permitted assigns) represented herein by its Director, Mr. Amit Veer.

Parties

WHEREAS:

A. Coffeee.io will provide an opportunity to the students to assess themselves for employability and subsequently be shortlisted by participating companies and get hired.

B. Pursuant to the foregoing, the Parties have agreed to enter into this MoU to set forth the terms and conditions of their arrangement in the following sections.

As a part of this MoU, both the parties have identified and hereto agree to the following responsibilities respectively:

1. RESPONSIBILITIES

1.1 Responsibilities of Coffeee.io

A. Coffeee.io, with the help of Xavier Institute of Engineering will offer all the students to onboard themselves on the platform Coffeee.io, create a profile. The candidates will be required to share their email addresses and details of their educational qualifications, previous employments (if any) and all necessary details that may improve their chances of getting an employment.

B. There will be no financial implications involved between Coffeee.io and students during the "Term" (defined hereafter) of this MoU, the end-users will get the following benefits upon enrolling on Coffeee.io:

- Online self-assessments in various subjects which will enable the students to showcase their proficiency to the hiring companies across the country
- Opportunity to get a job and internships after undergoing the self-assessments if they fit into the criteria of the hiring companies and are able to successfully clear all the stages of hiring as defined by the hiring companies
- Educational content on Coffeee.io helping the students to further sharpen their skills, including learning videos, practise modules, live sessions by industry experts, live training by renowned educators and regular doubt clearing sessions
- Ability to engage with and learn from similar candidates and experienced industry leaders on Coffeee.io

1.2 Responsibilities of Xavier Institute of Engineering

A. To spread the awareness about the benefits of Coffeee.io among college students through all means possible in the capacity of college management like Issuing Notice, email, SMS, WhatsApp, Facebook, LinkedIn, etc
B. To help Coffeee.io in promoting various Live Sessions, Skills Bootcamps, Aptitude Tests, etc among college students through all means possible so that a maximum number of students can be benefitted.
C. Providing Coffeee.io a database of all the students on campus so that Coffeee.io can communicate with them effectively and continue to inform them about the benefits of the platform

2. Other provisions:

A. This MoU shall be valid for an initial period of 1 (one) year from the Execution Date ("Term ") unless terminated earlier by Parties.

B. Coffeee.io shall keep all the data collected from the students confidential and shall NOT share/disclose to anyone in any form whatsoever without prior written permission from the students. Coffeee.io also agrees that the data collected shall be used for the purpose envisaged in this MoU and not for any other purpose.

AGREED AND ACCEPTED:

Mahim, Mumbai.

Subject: Permission to conduct career counseling seminar on "Talk with Alumni" for Third Year & Final Year Engineering students.

Respected Sir,

    Department of Computer Engineering would kindly request you to grant us the permission for organizing a career counseling seminar on "Talk with Alumni" as a part of Training /Placement activity for Third Year & Final Year Engineering students on 10th October 2022 at 3.30pm to 4.30 pm in Computer Center lab.

This seminar will be helpful for students to gain the knowledge about placement process, preparation required and job opportunities.

Looking forward to your kind consideration.

Thanking you,

Yours sincerely,

Ms. Kirti Motwani
Computer Engineering Department
Xavier Institute of Engineering, Mumbai

Subject: Resource person for conducting sessions at Computer Department, Xavier institute of Engineering, Mahim

Respected Sir/Madam,

It's our great pleasure to inform you that the Computer Department of Xavier Institute of Engineering,Mahim is organizing a session **"Talk with Alumni" on 10th October, 2022.**
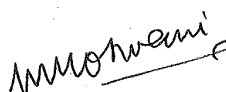

As per the feedback received from industry and curriculum feedback, we need to enhance our student's skills for making them readily employable by the industry. We, thus, seek your support in this endeavor. The training sessions are being planned in the area of soft skills, technical skills & programming skills for overall growth of our students.

It is proposed to conduct parallel training programs for second, third & final year engineering students. I thus, take this opportunity to invite you as a resource person for conducting sessions as per the following schedule:

Topic	Date	Time	Audience
Talk with Alumni	10th October, 2022	03.30 pm to 04.30 pm	Third Year and Final Year Engineering students

You are requested to make it convenient to deliver the session as scheduled.

Thanking You!

Kirti Motwani,
Assistant Professor,
Computer Department,
XIE,Mahim.

Subject: Appreciation letter for delivering a session at Xavier Institute of Engineering, Mahim
on **"Talk with Alumni"**

Respected Madam,
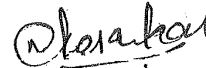

Greetings of the day !!
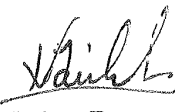

On behalf of the Computer Engineering Department of Xavier Institute of Engineering, Mahim, we wish to express our sincere gratitude for delivering a session and enlightening our students on the topic **"Talk with Alumni"** on 10th October 2022. We request you to please share the study resources so that we can share it with our students.

We truly appreciate your commendable efforts in delivering a knowledgeable session and sparing your valuable time for this program. We look forward to having a fruitful and long-term association with you in future as well to facilitate the exchange of information and knowledge.

Thanking you with warm regards,

Kirti Motwani,
Assistant Professor,
Computer Department,
XIE,Mahim.

XAVIER INSTITUTE OF ENGINEERING

A SISTER INSTITUTION OF ST. XAVIER'S COLLEGE

"Talk with Alumini"

DATE: 11/10/2022

Event Coordinators:

Kirti Motwani

Date & Place:

Computer Center Lab

10th October 2022, 3.30-4.30 p.m.

Xavier Institute of Engineering
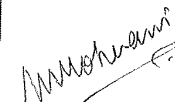

Department:

Computer Engineering

No of participant:

95

A session was organized for T.E.& B.E.(COMPS)students on the topic *"Talk with Alumini"* and it was delivered by the alumini of Computer Department **Ms. Neha Kesarkar.**

This session was conducted on 10th October 2022 from 3.30 pm to 4.30 pm and was organized by Ms. Kirti Motwani from Computer Engineering Department.

Total 95 students attended the session and the objective of the session was to provide an insight to the third & fourth year students about how to approach for the placements, what is the process for the placements, how much preparation is needed and to give an insight on the corporate job.

The students were interacting with the speaker about the different companies that come to college, various job opportunities and clearing their doubts.

Student Feedback and Benefits: The students found the session very helpful.

Fax: +91(22) 24462267 Email : office@xavier.ac.in

Date: 12-12-2022

To,
The Principal,
Xavier Institute of Engineering,
Mahim, Mumbai.

Subject: Permission to conduct orientation program for placement counseling on "Placement orientation" for FE students.

Respected Sir,

     The Training and placement cell would kindly request you to grant us the permission for organizing online orientation program on "Placement orientation" for FE students of XIE on 19th December 2022 at 1:30pm to 3:30pm.

     This program will be helpful for students to gain insights about placement process, eligibility criteria, session tips for aptitude test, GD, resume writing and trainings.

Looking forward to your kind consideration.

Thanking you,

Yours sincerely,

Navank

Mr. Naveen Kukreja
Training & Placement Officer
Xavier Institute of Engineering, Mumbai

Placement Orientation seminar

DATE: 19/12/2022

Placement Orientation seminar FE students was conducted on Monday 19th December 2022.Session was organized in 2nd floor seminar hall from 1.30pm to 3.30 pm. Almost all FE students participated in the session. It was well received by the students.

In first half of the session students were briefed about the placement process at Xavier Institute of Engineering. Eligibility criteria, placement rounds, CTC offered for various companies were discussed.

In the 2nd half of the session tips on Aptitude test, GD, Resume writing were discussed. Further more students were informed about the various TPO activities conducted throughout year viz. Project based trainings, internships.

In the end Q&A session was kept and students queries related to placement were addressed.

The main objective of the course was to make our students ready to face any competitive exam in future. Also it aims to increase the rate of placement of our students.

To,
The Principal,
Xavier Institute of Engineering,
Mahim, Mumbai.

Subject: Permission to conduct "Resume Building" placement activity for SE (EXTC) students.

Respected Sir,

The Department of Electronics & Telecommunications Engineering would kindly request you to grant us the permission for organizing "Resume Building" placement activity for SE (EXTC) students of XIE on 14th Feb 2023 at 3:30pm to 4:30pm.

Looking forward to your kind consideration.

Thanking you,

Yours sincerely,

Ms. Tejal Deshpande
Asst Prof (EXTC)
Xavier Institute of Engineering, Mumbai

ACTIVITY REPORT on Resume Writing

Organized By:	Tejal Deshpande, Assistant Professor, Electronics and Telecommunication Department
Date of the Event:	14/02/2023, 28/02/2023 &28/03/2023
Venue:	LH -02
Participants Details:	S.E (EXTC)
Number of Participants:	42

OBJECTIVE(S):

1. To equip students with the fundamental knowledge of resume writing for demonstrating their skills and expertise to get ready for interview.
2. To Prepare students for resume writing to show their skills and potential.

EXPECTED OUTCOME: Students are able to successfully complete resume writing and show their skills which can make them ready for the placements.

SHORT PROFILE OF RESOURCE PERSON: Mr. Naveen Kukrecha is the TPO Co-ordinator in Xavier Institute of Engineering, Mahim.

PO MAPPING:

_____

Pre-Placement Preparation Program

Overview: The Pre-Placement Preparation Program, a free initiative by Coffeee.io in collaboration with Xavier Institute of Engineering (XIE), was conducted in March 2023. This comprehensive 30-45 day program was tailored for the 2024 graduating batch to enhance their readiness for IT/Software/Developer job roles.

Program Structure:

- **Delivery Mode:** Online sessions conducted by professionals from top tech companies.
- **Focus Areas:**
    - **Technical Skills:**
        - Competitive Coding
        - Data Structures and Algorithms
        - Coding Problem Solving
        - Logical Reasoning
    - **Soft Skills:**
        - Resume Writing
        - Interview Preparation
        -

Unique Features:

- Offered at no cost to participants.
- A blend of theoretical knowledge and practical application.
- Sessions led by industry experts, providing real-world insights and best practices.
-

Impact: Participants reported significant improvement in their technical and soft skills, boosting their confidence for job interviews and increasing their competitiveness in the job market. The program effectively bridged the gap between academic learning and industry requirements.

Conclusion: The Pre-Placement Preparation Program exemplified a successful collaboration between XIE and Coffeee.io, empowering students with the skills and knowledge to excel in their career aspirations.

Pre-Placement Preparation Program" for 2024 batch students

What is Pre-Placement Preparation Program?

- A **FREE** comprehensive program from Coffeee.io
- For 2024 batch students to prepare for IT / Software / Developer Jobs
- 30-45 days long program with focus on placement preparation
- Will be delivered online by top tech companies' employees.
- The program will cover.
  - Competitive Coding
  - Data Structure and Algorithm
  - Coding Problem Solving
  - Logical Reasoning
  - Soft Skill sessions on Resume Writing, Interview Preparation etc.

What are the criteria to enrol for the program?

- **Complete enrolment on Coffeee platform**
- **Complete screening test (90 mins)**
- Screening test will test students on **LR, English proficiency, and DSA.**
- **Students who score more than 60%** will be directly enrolled into the program.
- Coffeee will **share all reports with T&P** office on a regular frequency.

Enrolment Process:

- Go to **www.coffeee.io** and click on "I'm A Job Seeker".
- Enter details like Name, College Name and Mobile Number
- Select min 5 areas of Interest.
- Update your profile by uploading your photograph, resume and other important information.

Screening Test:

- Once, the profile is created on the Coffeee platform, take the screening test by clicking on below link: https://www.coffeee.io/assessment/ca4089dc-5846-4677-89e4-b418091fd4dd

Students who have already registered have to complete the screening test by or before 19th March.

Students who have not registered yet must register and complete the screening test by or before 19th March.

Memorandum of Understanding (MoU)

Between

Xavier Institute of Engineering (XIE)

And

Gong Labs Private Limited (Coffeee.io)

June 17, 2022

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is entered into as of 17-06-2022 (the "Execution Date") by and between, Xavier Institute of Engineering (XIE), (hereinafter referred to as Xavier Institute of Engineering

AND

Gong Labs Private Limited (PAN: AAJCG4095K and CIN: U72900HR2021PTC099211), a private limited company incorporated under the Companies Act, 1956, engaged in providing employment assistance & vocational training to students, having its registered office at D-201, Palm Springs, Sector 54, Gurgaon, Haryana -122002 (hereinafter referred to as **"Coffeee.io"**, which expression shall unless repugnant to the context or meaning thereto shall mean and include its successors and permitted assigns) represented herein by its Director, Mr. Amit Veer.

Parties

WHEREAS:

A. Coffeee.io will provide an opportunity to the students to assess themselves for employability and subsequently be shortlisted by participating companies and get hired.

B. Pursuant to the foregoing, the Parties have agreed to enter into this MoU to set forth the terms and conditions of their arrangement in the following sections.

As a part of this MoU, both the parties have identified and hereto agree to the following responsibilities respectively:

1. RESPONSIBILITIES

1.1 Responsibilities of Coffeee.io

A. Coffeee.io, with the help of Xavier Institute of Engineering will offer all the students to onboard themselves on the platform Coffeee.io, create a profile. The candidates will be required to share their email addresses and details of their educational qualifications, previous employments (if any) and all necessary details that may improve their chances of getting an employment.

B. There will be no financial implications involved between Coffeee.io and students during the "Term" (defined hereafter) of this MoU, the end-users will get the following benefits upon enrolling on Coffeee.io:

- Online self-assessments in various subjects which will enable the students to showcase their proficiency to the hiring companies across the country
- Opportunity to get a job and internships after undergoing the self-assessments if they fit into the criteria of the hiring companies and are able to successfully clear all the stages of hiring as defined by the hiring companies
- Educational content on Coffeee.io helping the students to further sharpen their skills, including learning videos, practise modules, live sessions by industry experts, live training by renowned educators and regular doubt clearing sessions
- Ability to engage with and learn from similar candidates and experienced industry leaders on Coffeee.io

1.2 Responsibilities of Xavier Institute of Engineering

A. To spread the awareness about the benefits of Coffeee.io among college students through all means possible in the capacity of college management like Issuing Notice, email, SMS, WhatsApp, Facebook, LinkedIn, etc

B. To help Coffeee.io in promoting various Live Sessions, Skills Bootcamps, Aptitude Tests, etc among college students through all means possible so that a maximum number of students can be benefitted.

C. Providing Coffeee.io a database of all the students on campus so that Coffeee.io can communicate with them effectively and continue to inform them about the benefits of the platform

2. Other provisions:

A. This MoU shall be valid for an initial period of 1 (one) year from the Execution Date ("Term ") unless terminated earlier by Parties.

B. Coffeee.io shall keep all the data collected from the students confidential and shall NOT share/disclose to anyone in any form whatsoever without prior written permission from the students. Coffeee.io also agrees that the data collected shall be used for the purpose envisaged in this MoU and not for any other purpose.

AGREED AND ACCEPTED:

XAVIER INSTITUTE OF ENGINEERING

A SISTER INSTITUTION OF ST. XAVIER'S COLLEGE

Smartways Training

Date:- 31 May 2023

Event Coordinator(s)

Prof. Naveen Kukreja
Mr. Chirag Thakkar

Time& Place:

24th May – 30th May 2023

Seminar Hall , 2nd Floor

Xavier Institute of Engineering

No of participant: 56

Departments: All Departments

An aptitude training session was conducted by Mr. Chirag Thakkar from Smartwayz Ltd. at our college. The training was aimed at providing final year engineering students with valuable insights and knowledge in logical, verbal, and quantitative reasoning, preparing them for their upcoming placements.

The training program encompassed various essential aspects of aptitude testing crucial for placement exams. The topics covered included:

- Logical Reasoning: Strategies for solving logical puzzles, seating arrangement problems, and logical deductions.
- Verbal Reasoning: Techniques for enhancing vocabulary, sentence correction, and reading comprehension.
- Quantitative Reasoning: Fundamental concepts and problem-solving techniques in arithmetic, algebra, geometry, and data interpretation.

The training sessions were interactive and engaged the students through a mix of lectures, practical problem-solving, and group discussions. Real-world examples and scenarios were used to illustrate concepts and emphasize practical applications.

Student Feedback and Benefits

The students found the aptitude training to be highly beneficial and appreciated Mr. Chirag Thakkar's teaching methodology. Key points from the student feedback include:

- Engaging Content: Students found the topics covered to be relevant and aligned with the requirements of placement exams.
- Effective Teaching: Mr. Chirag Thakkar's teaching style was commended for its clarity and ability to simplify complex concepts.
- Interactive Sessions: The interactive nature of the sessions facilitated active participation and improved understanding.
- Increased Confidence: The training instilled confidence in the students, boosting their readiness for the upcoming placement season.

The aptitude training conducted by Mr. Chirag Thakkar from Smartwayz Ltd. was well-received by the students. It equipped them with essential skills and knowledge necessary to excel in aptitude-based placement exams. The training provided valuable insights and empowered students to approach aptitude tests with confidence and competence. We appreciate the effort and expertise brought in by Mr. Chirag Thakkar and Smartwayz Ltd. in enhancing our students' employability skills.

Comp , IT &EXTC

No of participants: 80

Introduction

                              DATE: 19/06/2023

Eighty students from SE to BE at Xavier Institute of Engineering participated in the IBM SkillsBuild Micro-Internship Program. The orientation session was conducted online on June 19, 2023.

Program Overview

The initiative comprised two programs:

1. **Data Analytics** (34 students)
2. **Front End Developer** (56 students)

Program Details

Data Analytics Program
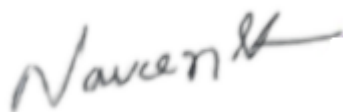

- **Focus:** Data science using Python, Machine Learning, and Data Visualization.
- **Learning:** Practical approach, interactive environment, professional guidance, real-time projects.
- **Career Benefits:** Internships and job opportunities with IBM and partners, SkillsBuild badges, professional networking.
- **Duration:** 6 weeks (Virtual)

Front End Developer Program

- **Focus:** Coding, front-end web development, design thinking.
- **Learning:** Hands-on projects, real-world problem solving, professional guidance.
- **Career Benefits:** Similar to Data Analytics, with a focus on web development.
- **Duration:** 6 weeks (Virtual)

Timeline

- **Start Date:** June 19, 2023
- **End Date:** July 28, 2023

IBM SkillsBuild Internship Program

Are you ready to revolutionize your approach to problem-solving and unleash your innovative spirit?
Don't miss out on our exclusive **6-week Virtual Internship Program** on
Data Analytics and **Front End Web Development**, starting on June 19th!

DATA ANALYTICS

The Data Analytics Internship Program is designed to bring you experiential learning in data science using Python, Machine Learning, and Data Visualization. Students will learn a practical approach through an interactive learning environment, professional guidance from industry experts and working on real-time projects.

FRONT END WEB DEVELOPMENT

Accelerate your journey to becoming a front end web developer by joining a learning enriched Internship Program implemented by experienced professionals and web developers. Learn about coding, front end web development and design thinking, then apply your skills in a hands-on project creating an innovative, human-centered web solution to a real world problem.

Internship Program concludes with final deliverable submission where best shortlisted deliverables are presented to facilitators, stakeholders and potential employers or investors.

KEY BENEFITS

- Opportunity to gain internships and full time job opportunities by IBM and its network partners.
- Learn about programming and domain specific skills and softwares.
- Learn from online content with weekly touchpoints with a industry experts.
- Meet & compete with new people from PAN India and grow your professional network & gain globally recognized SkillsBuild badges.
- Transform your learning into a tangible showcase for future employers.

Time Commitment:
6 weeks

Mode of Camp:
Virtual Mode

Who should attend:
Any SkillsBuild learner who would like to start their career as a front end web developer/ Data Analyst or would benefit from it.

Language:
English

Dates:
June 19th, 2023 to July 28th, 2023

Upon completion of the program, attendees will be awarded certificates and provided with job placement assistance through IBM and its network partners. The top-performing teams will also be granted exclusive prizes and the opportunity to participate in IBM's national annual showcase event, taking place on October 10th, 2023 at Hotel Pullman, New Delhi Aerocity.

Orientation	Masterclasses by subject experts		Working on Deliverables		Pitch Night
	Self-Paced Learning	Mentoring Sessions by IBM Employees		Deliverable Submission	

NOTE: Students can participate in the Internship Program as a team with 4-9 members not as an individual. One team can participate in one camp only.
