CODERS KA TYOHAAR

The Coders ka Tyoharr event, organized by the Technical Committee of the Student Council under Transmission 2024 (Annual Technical Fest) at Xavier Institute of Engineering, took place on the first day of Transmission i.e on January 18, 2024, at 1st floor, CC lab. This event was designed to ignite the spirit of innovation, collaboration, and excellence among aspiring developers, cultivating an environment for learning, creativity, and friendly competition. It attracted 23 groups of at least 2 or 3 participants each from all branches, creating a competitive atmosphere. Students from other classes were free to come and see the projects all of the participants had put on display.

10:30 AM: Welcome and Introduction:

- All of the participants had assembled and the event was set to begin.
- The event began with a cordial greeting from the hosts, who outlined the event's structure, regulations, and assessment standards.

11:00 AM: Evaluation:

- The judges were welcomed and introduced in front of all of the participants, after which they started assessing the projects of our participants.

1:00 PM: Final discussion:

- The judges finished individually evaluating the excellent projects of our participants and brain-stormed over which group should be the one deserving of winning the prize.

1:15 PM: Felicitation and Results declaration:

- The host finally thanked the judges for their valuable time and efforts through a brief speech along with their achievements and the final results were declared across all the categories.
