# HUMSHAKALS

The Humshakals event, organized by the Technical Committee of the Student Council under Transmission 2024 (Annual Technical Fest) at Xavier Institute of Engineering, took place on first day of Transmission i.e on January 18, 2024, at 1st floor, Computer Centre. The event aimed to test both creativity and technical prowess as participants strive to recreate every aspect of the website, from layout to functionality, with precision and accuracy.

2:00 PM: Welcome and Introduction:

- Event commences with a briefing session, where participants are provided with the guidelines and objectives of the competition. They are also given access to the website they are required to replicate.

2:15 PM: Round Starts

- Participants begin working on replicating the website using HTML, CSS, and JavaScript. They are encouraged to pay attention to detail and ensure that every element of the original website is recreated faithfully.

3:45 PM: Final Touches

- Participants enter the final phase of the competition, making any last-minute adjustments and ensuring that their replicated website is polished and error-free.

3:55 PM: Submission Deadline

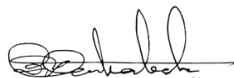

- Participants must submit their replicated websites for evaluation by the judging panel.

4:00 PM: Conclusion and Judging

- Event concludes with a round of applause for the participants' efforts. Judges begin the evaluation process to determine the winners based on criteria such as accuracy, creativity, and attention to detail.
