# COLLABORATIVE MURALS

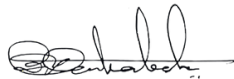

The Collaborative Murals event, organized by the Cultural Committee of Xavier Institute of Engineering, provided a unique opportunity for artists to come together and showcase their talents on a single canvas. Hosted and managed by the Cultural Committee's administrator, Kunal Lal Singh, in coordination with his team, the event unfolded on the first day of the cultural festivities, specifically on January 18, 2024. Commencing precisely at 1:30 pm in lecture halls no. 3 and 4, participating teams assembled to exhibit their artistic prowess.

Participants were equipped with canvases and colors, generously provided by the organizers. They were allotted a time frame of 1:30 hours to create artwork on the theme "Mumbai Meri Jaan." As the clock started ticking, participants immersed themselves in their creative endeavors. The competition was adjudicated by Sandip Ishwar Patil, an Art Teacher at Fatima High School in Ambarnath West, who not only assessed the drawings meticulously but also offered valuable advice to the participants.

Upon the conclusion of the allocated time, the drawings were collected from the participants. To immortalize the moment, participants had the opportunity to capture a photograph with the judge, creating a cherished memento of their participation in the event. The Collaborative Murals event not only celebrated artistic expression but also fostered a sense of community and shared creativity among the participants.
