# GARBA NIGHT

The Garba Night organized by the Student Council's Cultural Team at Xavier Institute of Engineering on October 23, 2023, unfolded as a vibrant cultural spectacle, leaving an indelible mark on the attendees. The festivities kicked off at 8 pm on the transformed basketball court, adorned with traditional decor that set the stage for an immersive cultural experience.

From 7 pm to 9 pm, the crowd engaged in spirited Garba performances, showcasing both skill and enthusiasm. The beats of the dhol and the colorful swirl of traditional outfits filled the air, creating an electric atmosphere that resonated with the essence of Navratri.

As the clock struck 9 pm, the event seamlessly transitioned into a free dance session. Attendees embraced the opportunity to express themselves through diverse dance styles, adding an element of spontaneity to the celebration. This continued until 11 pm, ensuring a dynamic and engaging experience for all.

The climax of the evening featured the recognition of outstanding participants. The selection of the best male and female dancers, as well as the acknowledgment of the most creatively adorned costumes, added a competitive yet celebratory element to the night. The winners were applauded, amplifying the sense of achievement and camaraderie among the participants.

To conclude the event on a heartwarming note, everyone was treated to a dinner box, providing a moment of communal joy and satisfaction. The Garba Night at Xavier Institute of Engineering, with its carefully curated performances, cultural appreciation, and delightful conclusion, stands as a testament to the success of the Student Council's Cultural Team in orchestrating a memorable celebration that brought the entire campus together in the spirit of unity and festivity.
