GENRE MASHUP

Yet another captivating event, Genre Mashup, organized by the Cultural Committee of Xavier Institute of Engineering, unfolded with an overflow of drama, offering participants a unique experience. Organized by Kunal Singh, the administrator of the Cultural Committee, and his team, the event took place during the second day of the Spandan, marking January 19, 2024. The proceedings kicked off precisely at 1:30 pm within the confines of lecture hall no.4

The challenge involved selecting a random combination of two contrasting genres and crafting a performance accordingly. Each group was allotted a maximum of 3 minutes for their acts while keeping it free from any abusive or inappropriate content. The competition was assessed by guest judge, Mr. Jay Kadu who meticulously evaluated the performances and imparted valuable insights and guidance to the participating teams.

With only one round in the competition, participants showcased their creativity and acting skills, delivering entertaining and engaging performances. The Genre Mashup event successfully combined drama and creativity, leaving both participants and spectators thoroughly entertained.
