CSE Department	4
EXTC Department	4
IT Department	4
Inter College	12
Total	40

MUMMBAI WANTS TO KNOW (DEBATE)

The Debate Competition named “Mumbai wants to know” was organized by the Cultural Committee of Xavier Institute of Engineering as part of its cultural event. The event took place on the second day, specifically on 19/01/2024, starting at 11:30 am in Lecture Hall No. 1. The entire competition was orchestrated by the Cultural Committee's admin, Nijel Shoby, along with his dedicated team.

All participating groups arrived at the venue well before the scheduled time. Prior to the event, each group was assigned a topic for the elimination round. Two groups, namely the proposition team and the opposition team, were set to compete against each other. In each round, both teams were allotted a 3-minute time slot to articulate their thoughts on the given topic.

Nijel Shoby, the admin of the Cultural Committee, managed the competition seamlessly with the assistance of his dedicated team. The elimination round covered diverse topics such as whether obesity should be considered a disease, the merits of traveling back in time versus forward in time, the existence of the death penalty, veganism, and more.

Miss Shravani, serving as the judge for the event, provided honest and constructive feedback to each team after their respective debates. Following the elimination round, the selected groups proceeded to the final round, where they engaged in another round of debates. At the conclusion of the competition, two groups were declared as the winners. Top of Form
