# SCAVENGER HUNT

The Scavenger Hunt event, organized by the Cultural Committee of Xavier Institute of Engineering, proved to be an exhilarating adventure for participants. Organized by Anurag Patil and Zivan Misquitta, the administrators of the Cultural Committee, in collaboration with their team, the event took place during the inaugural day of the Spandan celebrations, which was on January 18, 2024. The proceedings commenced at 2:15 pm in the seminar hall.

With 32 groups of 4 members each, divided into 4 pools, the interactive and engaging experience involved solving clues and unraveling mysteries within a 10-minute time limit. All tasks required recording as proof, and only top-performing groups advancing to the next round. The activities, including singing, dancing and other fun performances, were supposed to be completed within the college premises. Thus, the Scavenger Hunt event was filled with excitement, laughter, and the joy of exploration.
