Time	12:30 p.m.

Participation Details	
Participation Type	Solo
Comps Department	9
CSE Department	8
EXTC Department	6
IT Department	17
Inter College	0
Total	40

TIE DYE

The Cultural Committee of Xavier Institute of Engineering orchestrated a lively competition named "Tie Dye" as part of its cultural event. This fun-filled game allowed participants to engage in an enjoyable and creative activity. Administered by the Cultural Committee's efficient leader, Kunal Lal Singh, and his dedicated team, the event took place on the final day of the cultural extravaganza, specifically on 20/01/2024, at Lecture Hall 5, starting at 12:30 pm.

Participants gathered promptly at the venue, where the task involved dyeing a white t-shirt with vibrant colors. The organizing team thoughtfully provided the t-shirts and an array of colors for the participants to unleash their creativity. Remarkably, the judges for this event were none other than the members of the organizing team themselves.

The criteria for the competition were simple yet engaging. Participants were required to wet the t-shirt in water and then apply the colors according to their preference. The atmosphere during the event was characterized by a sense of fun and camaraderie.

Participants showcased their talents in the art of craft and dye, infusing their creations with individual flair. Following the completion of the event, the submitted t-shirts were collected from the participants for a thorough review to determine the winners. The judges carefully assessed each creation and, in a memorable gesture, returned the personalized t-shirts to the participants as tokens of the cultural event, creating lasting memories for all involved.
