Title of the event: Guest Lecture

Event Date / Time: 27/09/2024 / 09:45 - 10:45 am

Event Coordinators: Prof. Stella J

**Details of Resource Person: Mr. Thanga Selva Perumal, Associate Consultant,
SEQUIRETEK**

No. of Participants: 45

Class/Semester: TE / SEM 05

Objectives: To learn the security measures in Database and Servers

Description:

The Department of Information Technology arranged a Guest Lecture for Students of TE IT on "DBA Patch Management" on 27th September 2024 in order to know the importance of security updates patching requirements maintained in industry. For this event, the guest speaker was Mr. Thanga Selva Perumal, Associate Consultant from Sequiretek.

The students joined the Guest Lecture at 09:40 AM and they were eager to learn new things about concepts and importance of Database servers and patch Management. Prof. Stella J, Subject Incharge gave a wonderful introduction about the Guest Speaker.

Guest Speaker Mr. Thanga Selva Perumal started with the Introduction of DBA and the role it plays. He elaborated on the activities of Database Administrator, Different types of Database servers. He also shared the knowledge on how and what type of the security patches applied on the Database servers of Banks, UPI and so on.

He guided for the opportunities available for Database Administrator as well as how security plays an important role in the Database Servers also discussed on how to prepare for the interview for the security domain.

At the End of the session, students had a doubt-clearing session. Ms. Beatrice, Student TE-IT gave feedback about the session.

Finally, The Guest Lecture ended with a vote of thanks by Ms. Zubia, Student Co-ordinator.

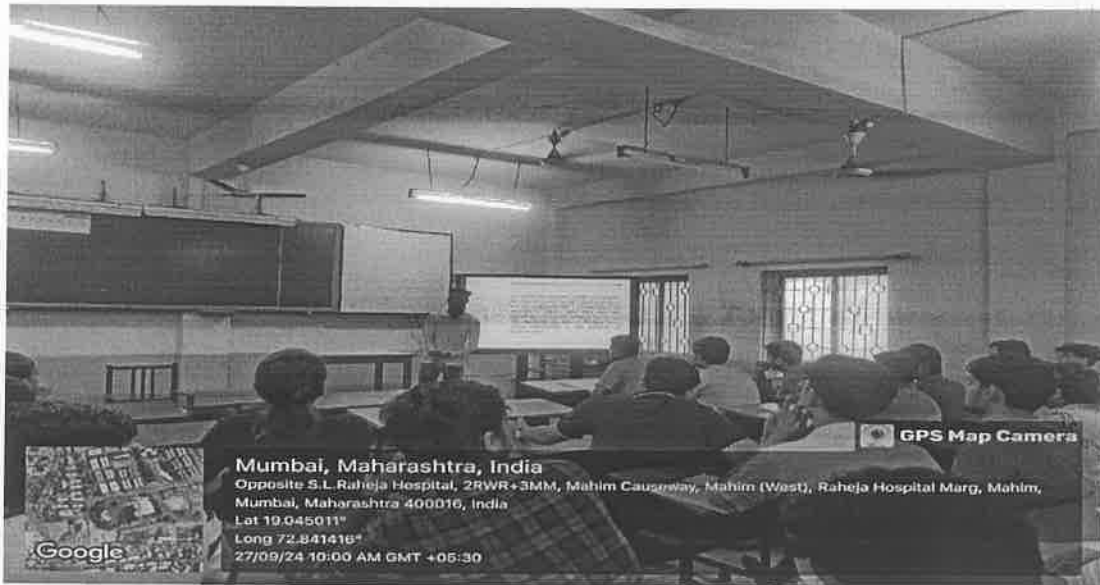

This Guest Lecture Aimed to bridge the Gaps in Computer Network Security Subject and the feedback from the students was very encouraging!

COs / LOs achieved (if any): CO5 - Generalize the need of network management security and illustrate the need for NAC.

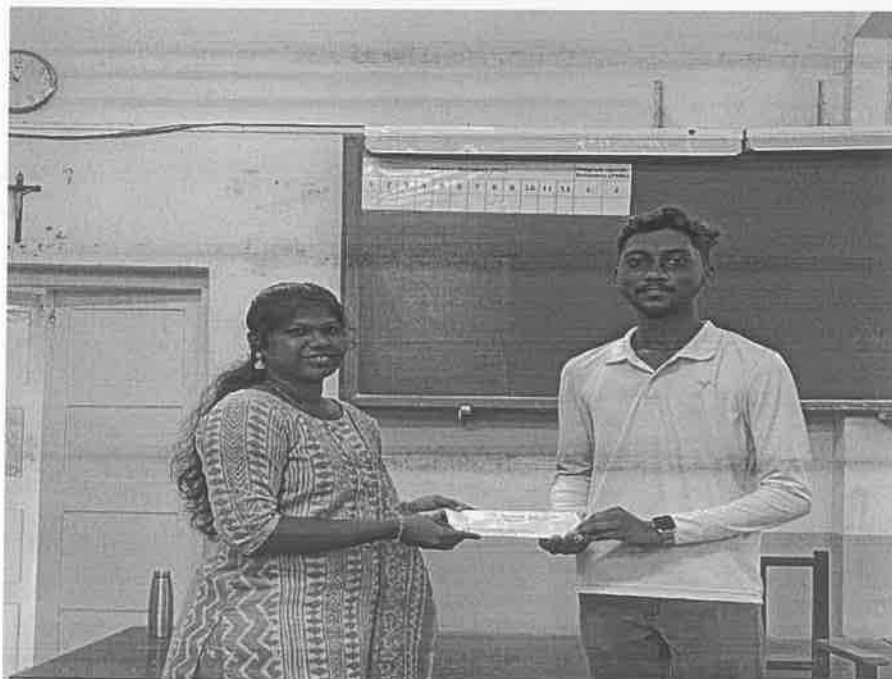

POs achieved: PO1, PO3, PO6, PO7, PO8, PO12

PSOs achieved: PSO1, PSO2

Subject: Resource person for conducting a session on "DBA Patch Management"

Respected Sir,

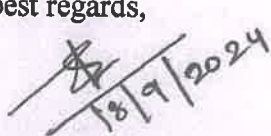

Given your expertise in Cyber Security, the Department of Information Technology is pleased to invite you to have a session on "DBA Patch Management" on Friday, 27 September 2024, from 9:45 – 10:45 am in the LH-5 (2nd Floor) at XIE. This session is for the Third year engineering students of IT under the Subject Computer Network Security (ITC502).

As you are one of the well-known persons in this area, your expertise and knowledge would add great value to the education sense to one and all. Therefore, please accept our invitation to be a resource person to conduct this session. We look forward to your presence and guidance.

Topic	Date	Time	Audience
DBA Patch Management	27 th Sept, 2024	09.45 am to 10.45 am	Third Year Engineering students

We would appreciate your acceptance at the earliest.

With best regards,

Prof. Stella J / Assistant Professor – IT
Subject In-charge

Dr. Jaychand Upadhyay
HOD – IT Dept.

To,

Mr. Thanga Selva Perumal,

Associate Consultant,

Sequaretek,

Andheri, Mumbai.

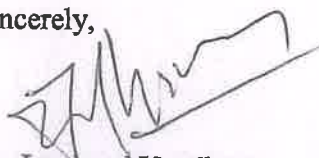

Dear Thanga Selva Perumal,

The Department of Information Technology would like to express its sincere appreciation for your session on **"DBA Patch Management"** for our Third year engineering students on **September 27, 2024.**

The students gained a lot from your session and are now enthused about having a career in this field.

We look forward to your valuable association with our future events.

Sincerely,

Dr. Jaychand Upadhyay
(HOD, IT Dept.)
